Principal's Message

Welcome to Baldy Mesa Elementary School's Annual School Accountability Report Card. The purpose of this document is to provide parents with information about our school's instructional programs, academic achievement, textbooks, safety procedures, facilities, and professional staff. Understanding our educational program will help our families and community join our efforts in providing an outstanding learning experience for Baldy Mesa's children.

We have made a commitment to provide the best educational program possible for our students. The excellent quality of our program is a reflection of our highly committed staff. We are dedicated to ensuring that our school provides a warm yet stimulating environment where students are actively involved in learning academics as well as positive values. We make our motto of "Learning for ALL, Whatever It Takes" a reality daily.

Mission Statement

Learning for ALL...Whatever It Takes.

School Profile

Baldy Mesa Elementary School is located in the central region of the district' boundaries and serves students in grades kindergarten through five following a traditional calendar. At the beginning of the 2007-08 school year, 982 students were enrolled, including 12% in special education, 14% qualifying for English Language Learner support, and 42% qualifying for free or reduced price lunch. Baldy Mesa Elementary School achieved a 2008 Academic Performance Index (API) score of 824 and met all 2008 Adequate Yearly Progress criteria.

A highly qualified, experienced team of professionals are dedicated to providing Baldy Mesa Elementary's students with a challenging, standards-based curriculum in a safe, production environment.

Percentage of Students by Ethnicity 2007-08 Enrollment: 982

Caucasian	60.39 %
Hispanic or Latino	33.71 %
African-Amer.	3.05 %
Asian	1.32 %
Amer. Indian or Alaskan Native	0.81 %
Filipino	0.41 %
Pacific Islander	0.31 %

The statistical information disclosed in this report is obtained from the California Department of Education and the Snowline Joint Unified School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials section were acquired in 10/2008. Those to prepare the school facilities section were acquired in 09/2008.

Student Achievement

California English Language Development Test

State law requires schools to give the California English Language Development Test (CELDT) to students in grades kindergarten through twelve whose home language is not English. The test identifies new students as English learners, monitors their progress in learning English, and helps determine if they have achieved proficiency in the English language.

Standardized State Assessments

Students at Baldy Mesa Elementary School participate in California's STAR examination each year. The mandatory STAR Program (Standardized Testing and Reporting) is a set of assessments that evaluates student proficiency in core subject areas and compares student results with those of other students in the state who took the same test. The STAR is comprised of the California Standards Tests (CST), Aprenda 3, and the California Alternative Performance Assessment (CAPA).

The CST aids in determining the level of individual proficiency required by the state. CAPA is administered to students with significant disabilities who are not able to take the CST. For more information on the STAR Program, please visit <http://star.cde.ca.gov/>.

California Standardized Tests (CST)

The California Standards Tests assess student performance on the California Academic Content Standards adopted by the State Board of Education. Performance standards identify the level of student mastery of the content standards tested. The state target for every student is to score at the Advanced or Proficient level.

The CST tables in this report illustrate the percentage of students achieving Proficient and Advanced levels. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the CST tables, no students met subgroup criteria. Detailed results by grade level for each student group can be obtained from the California Department of Education's website <http://star.cde.ca.gov>.

Physical Fitness

In the spring of each year, Baldy Mesa Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone."

Upon completion of the 2007-08 fitness exam, 20.5% of the grade five students were in the "healthy fitness zone". Comparative District and state results can be found at the CDE's Website www.cde.ca.gov/ta/tg/pf/.

Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

Growth Targets: For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well. Schools/subgroups that have achieved an API of 800 or above must maintain their scores.

Statewide Rank: All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

Similar Schools Rank: School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

Academic Performance Index (API) Three Year Rank Comparison			
	2005	2006	2007
Statewide Rank	7	7	8
Similar Schools Rank	10	8	10

Results generated from 2005, 2006, and 2007 Base API Reports

Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's

standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

For the 2007-08 AYP cycle, elementary and middle schools must achieve a 35.2% or higher proficiency rate in English/Language Arts and 37% or higher proficiency rate in math on the California Standards Test (CST). Additional criteria contributing to whether or not a school demonstrates AYP include achieving a 95% or above participation rate on the CST and obtaining an API growth score of 620 or increasing the API growth by 1 point. More information on AYP can be found on the California Department of Education's (CDE) website www.cde.ca.gov/nclb/ and the U.S. Department of Education's website www.ed.gov/nclb/accountability/.

Adequate Yearly Progress (AYP) Results Reported by Indicator & Compared to District Performance 2007-08		
<i>Did the school and district meet or exceed 2008 AYP performance criteria in each of the areas listed below?</i>		
AYP Indicator	BMES	SJUSD
Overall Results	Yes	No
<i>Participation Rate - 2007-08</i>		
Language Arts	Yes	Yes
Math	Yes	Yes
<i>Percent Proficient (CST Exam)</i>		
Language Arts	Yes	No
Math	Yes	No
API Score 620 or Increase API by 1 point	Yes	Yes
Graduation Rate	N/A	Yes

No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2007-08, Baldy Mesa Elementary School qualified for Title I Targeted Assistance funding and is subject to comply with Title I program requirements.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and

curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ti/.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through ConnectEd, school website, school marquee, teacher newsletters, and weekly Tuesday envelopes. Contact the principal at (760) 949-1232 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Baldy Mesa Elementary School's original facilities were built in 1986; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Installation of new flooring in MPR
- Renovation of playing field
- Repairs to asphalt on playground
- Installation of new flooring in some classrooms

Every morning before school begins, the lead day custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. Five day custodians and five part-time evening custodians are assigned to Baldy Mesa Elementary School. The day custodians are responsible for:

- Cafeteria Cleanup
- Office Area Cleaning
- Special Event Preparations
- General Cleaning of Classrooms
- Restrooms

Restrooms are checked every 15 minutes throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for thoroughly cleaning classrooms and restrooms. The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Campus Description	
Year Built	1986
	Quantity
Permanent Classrooms	18
Portable Classrooms	43
Restrooms (student use)	7 sets
Libraries	1
Computer Labs	1
Teacher Work Rooms	2
Cafeteria	1
Staff Lunch Rooms	2

Deferred Maintenance

Baldy Mesa Elementary School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2007-08 school year, Baldy Mesa Elementary School received \$189,360 in deferred maintenance funds for the repair and/or maintenance of:

- Roofing

Facilities Inspection

The district's maintenance department inspects Baldy Mesa Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Baldy Mesa Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Thursday, August 21, 2008. During fiscal year 2007-08, all restrooms were fully functional and available for student use.

School Facility Good Repair Status Most Recent Inspection: Thursday, August 21, 2008			
Item Inspected	Repair Status		
	Good	Fair	Poor
1. Gas Leaks	✓

Overall Summary of School Facility Good Repair Status			
Exemplary	Good	Fair	Poor
	✓		

Rating Description

Good: The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or result from minor wear and tear, and/or are in the process of being mitigated.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the following individuals are strategically assigned to designated entrance areas, the breakfast area and playground: the principal, teachers, and custodian. During recess, campus monitors supervise playground activity. The principal and campus monitors supervise lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, teachers and campus supervisors monitor student behavior to ensure a safe and orderly departure.

Baldy Mesa Elementary School is a closed campus. During school hours, all visitors must

sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Baldy Mesa Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed by school staff in September 2007 and updated in September 2007. Staff responsibilities and safety plan updates were discussed with staff in September 2007. Baldy Mesa Elementary School maintains a current injury and illness prevention plan which is also shared with school staff annually and as changes take place.

Classroom Environment

Instructional Time

All instructional time offered at Baldy Mesa Elementary School either meets or exceeds California's Education Code requirements. For the 2007-08 school year, Baldy Mesa Elementary School offered 180 days of instruction comprised of 166 regular days and 14 modified days. Modified days were used for staff development activities and teacher collaboration on student assessment data and instructional practices.

The table below is a comparison of the instructional minutes offered and the state's instructional time requirements.

Instructional Minutes 2007-08		
Grade Level	Actual Minutes Offered	State Requirement
K	36,000	36,000
1-3	55,580	50,400
4-5	58,070	54,000

Discipline & Climate for Learning

Baldy Mesa Elementary School's discipline policies are based upon the SWIS (Schoolwide Information System) discipline matrix and Accountability Concepts, which are used to promote responsibility, develop good citizenship, and create a productive learning environment.

Baldy Mesa Elementary School employs a progressive approach in managing students who make poor choices in behavior, do not follow school rules, or are disruptive in the classroom. Disciplinary measures are applied in a fair, firm, and consistent fashion. Consequences are administered based upon the severity of the infraction and include referral to the Roadrunner Center, parent conferences, counseling with the principal, and suspension.

At the beginning of the school year, school rules, discipline policies, and behavior

expectations are shared with students in classroom discussions led by the principal and through the student handbook. Students are reminded throughout the school year of their individual responsibility to make good choices in behavior in morning announcements and as a component of class lessons.

Administrators and teachers recognize students demonstrating good citizenship, positive behavior, and student achievement daily and monthly. Baldy Mesa Elementary School sponsors the following behavioral incentives: Pyramid Pride recognition program, school and classroom attendance competitions, and Pyramid Pride drawings. Individual honors include Pyramid Pride Tickets (Caught Being Good), Peace Patrol recognition, Principal's Award, Pyramid Pride Award, academic awards, citizenship awards, and attendance rewards.

Suspensions & Expulsions			
	BMES		
	05-06	06-07	07-08
Suspensions (#)	24	7	27
Suspensions (%)	1.83 %	0.71 %	2.75 %
Expulsions (#)	0	0	0
Expulsions (%)	0.00 %	0.00 %	0.00 %
	SJUSD Elementary Schools		
	05-06	06-07	07-08
Suspensions (#)	111	151	235
Suspensions (%)	3.27 %	4.20 %	6.01 %
Expulsions (#)	1	2	2
Expulsions (%)	0.03 %	0.06 %	0.05 %

This table illustrates the total cases (not number of days) of suspensions and expulsions, and includes students with multiple instances of suspension. For example, a student suspended in one month for 2 days and then suspended a month later for three days is counted as two cases of suspension.

Class Size

The Class Size Distribution table in this report illustrates the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students.

Baldy Mesa Elementary School participates in the state's Class Size Reduction Program (CSR), which provides funding to reduce K-3 class sizes to 20 students or less. During the 2007-08 school year, 100% of Baldy Mesa Elementary School's K-3 classes participated in the CSR Program. The "Percentage of K-3 Classrooms Participating in the Class Size Reduction Program" table in this report illustrates the participation rate of classrooms in the CSR by grade level.

Percentage of K-3 Classrooms Participating in the Class Size Reduction Program			
Grade	2005-06	2006-07	2007-08

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Baldy Mesa Elementary School revolve around the California State Content Standards and Frameworks. Professional development activities continue to support the ongoing implementation of Focus on Standards (FOS) into grade level and course collaboration efforts. Decisions concerning selection of staff development activities are performed by FOS coaches (designated school administrators and teacher representatives) using tools such as state assessment results, teacher surveys, NCLB requirements, and state content standards to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. During the 2007-08 school year, Baldy Mesa Elementary School held three (3) staff development days devoted to:

- Accountability Concepts
- Accelerated Math
- Accelerated Reader
- Grade level collaboration
- Improving vocabulary development

Baldy Mesa Elementary School offers support to new and veteran teachers through peer coaching and mentoring. All staff are

encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Instructional Materials

All textbooks used in the core curriculum at Baldy Mesa Elementary School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 23, 2008, the Snowline Joint Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution #09-869 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to the core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for its visual/performing arts curricula. During the 2008-09 school year, Snowline Joint Unified certifies that each student, including English learners, enrolled in a visual/performing arts class has been provided with a textbook or supplemental materials to use in class and to take home. These materials comply with the state's content standards and curriculum frameworks.

School Leadership

The principal works closely with the school's leadership team to provide a well-balanced, rigorous core curriculum aligned with state standards. Principal Dan MacDonald is responsible for the day-to-day operations of the school and overall instructional program.

Coordinating efforts with the principal is the Leadership Team, comprised of the principal and all certificated staff. The Leadership Team meets regularly throughout the year to discuss instructional strategies, evaluate student assessment data, and develop or modify programs to meet students' learning needs. On an ongoing basis, teachers work together to analyze student assessment results and instructional practices. Using findings from data analysis activities, grade level teams develop intervention and enrichment activities to address the current needs and learning abilities of Baldy Mesa Elementary's students.

Principal Dan MacDonald has been in the educational field for 23 years and serving Baldy Mesa Elementary School for 11 years (as of 2007-08). Previous positions held in education include: principal, assistant principal, and classroom teacher. Principal Dan MacDonald holds a bachelor's degree in Geography, a master's degree in School Administration, a Clear Multiple Subject Teaching Credential, and a Clear Administrative Services Credential.

Specialized Instruction

All curriculum and instruction is aligned to the California State Content Standards and Frameworks approved by the State Board of Education. Every child receives a rigorous, well-balanced standards-aligned curriculum. The instructional program is structured so that all students receive instruction appropriate to their learning level. Teachers use a variety of research-based instructional strategies and techniques using state-approved instructional materials to ensure academic success.

Students with special gifts and talents need more challenging curriculum and instruction. The Gifted and Talented Education (GATE) program is offered to students in grades 3 through 5 who have been identified as academically gifted through district testing and teacher referral. Students are clustered by grade level to receive differentiated instruction from GATE trained teachers.

For students whose primary language is not English and who have limited English proficiency, Baldy Mesa Elementary School offers programs to help them acquire English as quickly as possible and prepare them to meet the state's academic content standards. Teachers use differentiated instruction and SDAIE (Specially-Designed Academic Instruction In English) strategies to maximize student understanding of lesson content and concepts. English learners may receive ELD (English Language Development) instruction as a supplement to their core language arts curriculum. ELD lessons focus on developing listening, speaking, reading, and writing skills as quickly as possible, enabling students to

successfully participate in the regular education program. ELD instruction is provided in the classroom by homeroom teachers with bilingual aide support. Baldy Mesa Elementary School's teachers utilize Rosetta Stone and Santillana curricula as supplemental resources for language learning and remediation activities. Baldy Mesa Elementary School's teachers monitor progress of English Learners continually and adjust individualized instruction to meet current learning levels. English learners are assessed annually using the CELDT exam (California English Language Development Test); results are used to evaluate student progress, intervention programs, and teaching strategies.

Baldy Mesa Elementary School's special education program is staffed by special education teachers and resource specialist teachers. Instruction is provided in the least restrictive environment and based on each student's Individual Education Plan (IEP). Students have access to a comprehensive curriculum and are mainstreamed into the general education class with supplemental small group instruction in the resource room. A portion of instruction may be provided in the special day class. The IEP team meets annually to establish goals and objectives, define academic instruction, evaluate the effectiveness of the student's plan, and make instructional adjustments as necessary.

Baldy Mesa Elementary School provides a variety of intervention and remediation programs to support students' efforts to achieve academic success and reach grade level expectations. Using STAR test results, district benchmark assessments, and classroom performance, teachers and administrators can identify students who are struggling or performing below state proficiency grade level standards. For those students who need extra help in any subject area, a Student Study Team pulls together school and family resources to identify and develop strategies to help students improve academic and/or behavioral performance. Intervention strategies include:

- Team Teaching
- Response to Intervention
- Everyone Reads Tutoring
- Language!
- Accelerated Reader
- Accelerated Math

Supplementary instructional materials are purchased as needed to support intervention programs. Classroom teachers monitor student performance on district benchmark assessments, daily classwork, homework, end-of-unit tests, and Standardized state assessments to measure ongoing academic progress and adjust instructional needs.

Professional Staff

Substitute Teachers

Baldy Mesa Elementary School does not experience any difficulties finding substitute teachers to fill vacancies. A pool of more than

180 substitutes is available through a district pool that is comprised primarily of teachers holding a 30-day substitute permit. Substitutes must have:

- A bachelor's degree and have passed the CBEST (California Basic Education Skills Test)
- A CBEST waiver (California Basic Education Skills Test) and have acquired 90 semester units in college coursework

Teacher Evaluations

Evaluation procedures and criteria for Baldy Mesa Elementary School's teachers are defined in board policy. Evaluation criteria are based on the California Standards of the Teaching Profession:

- Engaging and Supporting All Students in Learning
- Creating and Maintaining Effective Environments for Student Learning
- Understanding and Organizing Subject Matter for Student Learning
- Planning Instruction and Designing Learning Experiences for All Students
- Assessing Student Learning
- Developing as a Professional Educator

Temporary and probationary teachers are evaluated once annually; permanent/tenured teachers are evaluated once every two years. Evaluations are conducted by the principal, who has been trained and certified to perform teacher evaluations.

Counseling & Support Staff

Baldy Mesa Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Baldy Mesa Elementary School's students.

Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors & Support Personnel (Nonteaching Professional Staff) 2007-08		
	No. of Staff	FTE
Health Technician	3	1.0
Speech & Language Pathologist	2	2.0
Counselor	1	1.0
Psychologist	1	0.6
School Nurse	1	0.2

FTE = Full-Time Equivalent

Teacher Assignment

During the 2007-08 school year, Baldy Mesa Elementary School had 46 teachers who met

all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects.

In the table below, which identifies the number of classrooms taught and not taught by NCLB-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

Percentage of Core Classes 2007-08		
	Taught by NCLB- Compliant Teachers	Taught by non- NCLB- Compliant Teachers

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2006-07 salary comparison data was the most recent data available at the time this report was published.)

Salary Comparison 2006-07		
	SJUSD	State Average of Districts in Same Category
	Beginning Teacher Salary	\$40,082
Mid-Range Teacher Salary	\$71,411	\$62,830
Highest Teacher Salary	\$85,741	\$80,472
Superintendent Salary	\$165,678	\$166,547
Average Principal Salaries:		
Elementary School	\$104,877	\$98,460
Percentage of General Fund Expenditures for:		
Teacher Salaries	43.4%	40.2%
Administrative Salaries	5.5%	5.8%

Expenditures Per Student

For the 2006-07 school year, Snowline Joint Unified School District spent an average of \$6,966 of total general funds to educate each student (based on 2006-07 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at <http://www.cde.ca.gov/ds/fd/ec/> and <http://www.cde.ca.gov/ds/fd/cs/>. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Snowline Joint Unified School District receives state and federal categorical funding for special programs. For the 2006-07 school

year, the district received categorical, special education, and support programs funds for:

- Agricultural Vocational Incentive Grants
- After School Learning & Safety
- Arts and Music Block Grant
- Arts, Music, and Physical Education Supplies and Equipment
- CA High School Exit Exam (CAHSEE)
- Carl Perkins
- Career Technical Education Equipment and Supplies
- Community Based Tutoring
- Discretionary Block Grant
- Economic Impact Aid
- English Language Acquisition Program, Teacher Training & Student Assistance
- Gifted & Talented
- Instructional Materials, Library Materials and Education Technology
- Lottery: Instructional Materials
- Partnership Academies Program
- Peer Assistance & Review
- Professional Development Block Grant
- Pupil Retention Grant
- Regional Occupation Centers and Programs
- School Safety
- School & Library Improvement Block Grant
- Special Education
- Supplemental School Counseling Program
- Title I
- Title II
- Title III – Limited English Proficient
- Title IV
- Title V – Innovative Education Strategies
- Tobacco Use and Prevention Education
- Transportation
